## HUB

Glossy Hub is a luxury salon specialising in high quality eyelash extensions and beauty services. We are also an educational space, teaching aspiring lash technicians the right methods and helping you refine your techniques.

We offer both 1:1 Private Lash Training and Group fundamental Classic and Volume Eyelash Extensions training sessions.

Our classic and volume extension fundamental course is designed for those with little to no experience in lash extensions. You will learn both theory along with hands on experience.

### **Why should you choose to jump start your lash career with Glossy Hub?**

---

- **Experience:** The course will be administered by our master technician with years of experience to ensure you walk out of the course confident and informed about everything there is to know about lash extensions.
- **Professional:** Our educators are experienced lash technicians, we have an abundance of hands on knowledge from servicing our own clients. We are known for our commitment to perfection, symmetry, and lash health. We will provide you with real transferrable skills and knowledge.
- **Time Management:** Unlike other lash courses, we offer 1, 2 and 3 day training options. Our multi-day classes are held over 2 or 3 consecutive weeks. We believe the key to success is through practice which doesn't happen overnight. Our students will be given a week between their multi-day class dates to complete the assigned homework, build muscle memory, so you can return to class on the second week with confidence.
- **Support:** Upon course conclusion, we will be here to offer ongoing support. Our students will be invited to our private Facebook discussion group where they can interact with other ex-students, and post any queries or concerns.
- **Exclusive discounts:** Our students will receive 15% off all supplies from our online website.
- **Small Classes:** At Glossy Hub we offer 1:1 as well as group training. Our group training have a maximum of 4 students to ensure all your needs are met.

## What can you expect over the training period?
